To Whom it may concern

Consolidated urban corporation has been acquiring the services of Enviroswtch on a monthly basis since March of 2017.

The service that Enviroswtch has rendered for our company include the following;

- Pest control
- Ohs through emergency preparedness

We operate a property portfolio that include student accommodation as well commercial and retail offerings. We have been extremely satisfied with the service we have received from Enviroswtch and I can in good conscience recommend their services.

The following properties that we own and manage are currently being serviced by enviroswtch;

- Wynton Joy
- Dunvista Mansions
- Rennie House
- 80 Jorissen
- 126 Siemert

They have also conducted drills and compiled files pertaining to OHS emergency preparedness for the following buildings.

- Braamlofts
- YMCA
- 80 Jorissen

Please do not hesitate to call should you have any further questions.
